01. BRAND POSITIONING

Who Sanbay is and what it stands for

Brand Overview

Sanbay is a 20-year-old enterprise technology company serving large organizations across Healthcare, Government, BFSI, Manufacturing, Education, and IT & ITES sectors. With partnerships including HP, HPE, VMware, Microsoft, AWS, Nutanix, and RedHat — Sanbay is not a typical IT reseller. It is a trusted infrastructure partner for India's most demanding organizations.

02. COLOR SYSTEM

Use these exact colors across all brand touchpoints

Primary Colors

Sanbay Blue #184A9D RGB 24, 74, 157 Trust · Security · Technology · Corporate Stability Logo · Headlines · CTAs · Borders · Icons · Links	Sanbay Orange #F57C00 RGB 245, 124, 0 Innovation · Growth · Forward Movement Accents · Highlights · CTA Buttons · Dividers

--	---	---	---

Color Usage Ratio

This ratio keeps the brand enterprise-grade. Never let orange dominate a layout.

03. TYPOGRAPHY SYSTEM

Three fonts — each with a specific job. All free on Google Fonts.

Font	Weight	Use For	Example
Montserrat	SemiBold / Bold	Headlines · Presentations · Brochures · Website Titles	DIGITAL INFRASTRUCTURE
Inter	Regular / Medium	Website copy · Case studies · Reports · Corporate comms	Trusted IT partner for enterprise organizations.
IBM Plex Sans	Regular	Statistics · Metrics · Dashboards · Revenue	300+ Cr 1200+

For web developers: All three fonts are free on Google Fonts. Import Montserrat, Inter, and IBM Plex Sans via CSS `@import` or link tag.

04. LOGO USAGE

Rules for using the Sanbay logo correctly across all materials

Logo Versions

Version	When to Use
Full Color (Primary)	Use on white or light grey backgrounds — default for all materials
Reversed (White)	Use on Sanbay Blue or Deep Navy backgrounds
Single Color Blue	When full-color printing is not available
Single Color Orange	Limited use — special branded or event materials only

Clear Space: Maintain space equal to the height of the "S" in Sanbay on all sides. Min size: **25mm wide** (print) · **100px wide** (digital).

Logo Do's

- ✓ Use full-color logo on white or light grey backgrounds
- ✓ Use reversed white logo on dark navy or blue backgrounds
- ✓ Maintain clear space on all sides at all times
- ✓ Scale proportionally — always lock aspect ratio
- ✓ Min: 25mm wide (print), 100px wide (digital)

Logo Don'ts

- ✗ Do not stretch, compress, or distort the logo
- ✗ Do not change the logo colors in any way
- ✗ Do not add drop shadows, outlines, or effects
- ✗ Do not place on busy or clashing backgrounds
- ✗ Do not recreate, redraw, or rotate the logo

05. VISUAL LANGUAGE & DESIGN STYLE

The visual rules that tie all brand materials together

Sanbay's visual style is clean, structured, and authoritative. Every design decision should feel like it belongs in a Fortune 500 boardroom — not on a startup landing page.

✓ LOOK LIKE

Cisco Systems
Dell Technologies
Hewlett Packard Enterprise
IBM

✗ DO NOT LOOK LIKE

Startup SaaS brands
Neon / Cyberpunk aesthetics
Gaming-style visuals
Cartoon or flat illustrations

Brand Graphic Elements

Element	Description	Where to Use
---------	-------------	--------------

Orbit Ring	Orange circular stroke derived from the logo. The signature brand graphic element.	Section dividers · Presentation backgrounds · Social graphics · Booths
Digital Grid	Subtle technology grid patterns. Represents networks and infrastructure.	Background texture — very light opacity, never dominant
Flow Lines	Thin curved orange and blue lines inspired by data movement.	Accent decoration — sparingly on presentations and brochures

Iconography: Outline only · 2px stroke · Rounded corners · Blue or Orange · Sources: Phosphor Icons, Heroicons, Feather Icons (all free)

06. PHOTOGRAPHY STYLE

Image guidelines for website, LinkedIn, presentations, and print

Use These

- ✓ Data centers and server rooms
- ✓ Enterprise office environments
- ✓ IT infrastructure and networking equipment
- ✓ Cloud computing concepts (realistic)
- ✓ Network engineers at work
- ✓ Executive meetings and boardrooms
- ✓ Smart buildings and tech operations centers

Avoid These

- ✗ Generic stock people smiling at laptops
- ✗ Random laptop close-ups without context
- ✗ Cartoon or flat illustration styles
- ✗ Bright colorful gradients (neon, rainbow)
- ✗ Gaming or cyberpunk aesthetics
- ✗ Low-resolution images

Image Treatment: Apply a subtle Sanbay Blue overlay on hero images (20–30% opacity). Use high-contrast professional photography. Crop with a strong focal point.
